

# Le Roy Farmers' Market 2022

Le Roy, Minnesota

## Dear Prospective Market Applicant,

Welcome! We are glad you are considering joining our friendly get together every Thursday.

This is our brief Introduction to what we are doing every week again this year in our community.

We are always looking to expand our vendor base. The Le Roy Farmers' Market is a "producers" market. All items sold must be produced by the vendor.

There are four forms to be turned in no later than the Tuesday before you first intend to vend.. The Vendor Application form is intended to provide us with information about you and your products so we can help you get started. Two others are the Emergency Notification form in case you need medical assistance and a Vendor Indemnity form. And the State of MN requires you to submit their Form ST-19. All of them can be downloaded at the [Vendor Information Packet](#) also here on the Vendor Information page.

Please read through two more pages of the Market General Information and Rules also included in the link at the Vendor Info page.

And you can read the rest of the pages here at the web or go to our Facebook blog. Market staff are always ready to talk or answer your emails..

- Facebook at... [www.facebook.com/leroymarket](http://www.facebook.com/leroymarket)
- By calling... Sharon Thiel at (507)438.0553
- By emailing to... <mailto:info@leroymarket63.com>
